

Website Developer

Remote – Full Time / Part Time – Project-Based Pay

Who You Are:

You're creative, reliable, and passionate about building functional, beautiful websites. You don't need to be a master coder—what matters is your attention to detail, your ability to follow through, and your willingness to learn. If you're comfortable with WordPress, Shopify, or even just ready to be trained, we want to hear from you.

What You'll Do:

- Build and update websites using WordPress and/or Shopify
- Follow brand guidelines and creative briefs
- Collaborate with our design and SEO teams
- Test site performance across browsers and devices
- Implement feedback quickly and efficiently

What We Value Most:

- **Punctuality** — you meet deadlines, every time
- **Clear communication** — updates, questions, and follow-ups are a must
- **Strong work ethic** — you take initiative and finish what you start

Pay:

- **Project-based compensation** depending on project scope and complexity
- Average projects range from \$900 to \$2400+

Perks:

- Work from anywhere in the world
- Paid training and mentorship
- Join a fast-growing, motivated team
